Hello Reading Detectives!

This week we're going to read a book called "The Night I Followed the Dog" by Nina Laden. Think about the setting – where the story is happening- in this story. Clue: Sometimes it changes. 😊 At the end of the story, see if you can name the different settings. And Detectives, this is a story about a boy who does his own detective work! Let's read and see what he finds out about his dog. Click on the link above to get started!

PHONICS

Word Detectives:

This week your assignment- should you choose to accept it- is to find 3 words somewhere in your house to investigate. Word Detectives, we know we must look closely and really examine each word. Ask yourself: Does it have tall letters? Short letters? Digraphs? Blends in the beginning or end? Vowel teams? A snap word inside? If you can, write the word down that you've found. Break it a part and show what you've found out about that word. You can take a picture or video of your work and send it to your teacher's email address! Use what you already know to help you, Detectives! Are you ready? Go!!

WRITING

Writers,

We want to know what you've been doing while you are at home! Have you played a game that you really like? Cooked your favorite food? Have you watched a favorite tv show? Use all you've learned about opinion writing to persuade your teacher or family member to try something new! Don't forget to "hook" your reader in the beginning, state your opinion, give 3-4 reasons to back up that opinion, and write a conclusion. Take a picture and send it to your teacher! We can't wait to see what you've been doing and try something new!
