

Notes from Your Teachers

April 3, 2020

Dear Families,

We have so enjoyed hearing about how you are continuing to grow your brains at home!

Next week, April 6th-April 10th, is still Spring Break for students and teachers. Instead of providing our more structured In Home Learning activities we have created a Spring Break In Home Learning BINGO activity! See how many of the activities you can complete to get 5 in a row!

The activities posted today on our In Home Learning website are intended for families to use during the week of April 13th-17th. We will not be posting new In Home Learning activities on Friday April 10th as us teachers will also be taking a break!

Remember that even though our school is closed our Nutrition Services department is still serving daily meals, grab and go style, for all children from 11:00 to 12:00! This service will continue during Spring Break. You can pick up meals at any Renton school including Lakeridge. Meals are also being served at Creston Point. To help us prepare enough food, please pre-order your meals through the district website: <https://www.rentonschools.us/students-families>. The order form is available under Student Support Resources.

Please continue to reach out for anything that your family needs! We are happy to help with In Home Learning and connecting you to other resources. We are all so grateful for our strong community and the love of learning Lakeridge families work to cultivate.

In partnership,

Ms. Greenley paige.greenley@rentonschools.us

Ms. Hardy henifin.hardy@rentonschools.us

Ms. Smith kathryn.smith@rentonschools.us

Ms. Smith has been spending lots of time with her dog, Annabel. (pictured with her favorite stuffed pig)

Ms. Hardy on a hike through Dead Horse Canyon (in Lakeridge neighborhood). She ran in to Ms. Brells on her walk!

Ms. Greenley has been doing lots of yoga! Sometimes Ralph joins in!
