

TOP SECRET

INCOMING MESSAGE FROM THE SUPER SECRET DETECTIVE AGENCY...

Attn: Lakeridge First Graders

The SSDA needs your help! You may be learning from home, but that doesn't mean there's no more detective work to do. Starting this week, check for your special assignments in reading, writing, math, science and social emotional learning (SEL). To complete your assignments, you'll need to look for clues in the world around you. Remember detectives are curious and they don't give up when things get tricky. Your teachers miss you and they can't wait until they get to see you again. All right detectives, get to work!
